Mississauga, Ontario, Canada

## Summary

An accomplished IT professional with over 14 years of expertise in software design and application development, specializing in Java/J2EE technologies, as well as proficient in Web services like REST and SOAP, Spring Boot, Spring MVC, Spring Integration, Spring Batch, and Spring Cloud.

Furthermore, I bring in-depth experience as a full stack developer, spanning 3 years, encompassing ReactJS, Knockout JS, Require JS, OJET, jQuery, and JavaScript.

My proficiency extends to cloud technologies, including hands-on involvement with Azure CLI, ARM templates, Azure Kubernetes clusters, and Azure networking concepts.
