Open to Work (Remote) | Senior Frontend Developer (React & Next.js) | React | Next.js | Web3 | 8+ Years Exp | Typescript | Ether.js | Web3.js | GraphQL | MongoDB | Contract Jobs | Open source contribution

Chennai, Tamil Nadu, India

Summary

Enthusiastic Senior React Developer With over 8 years of experience, I'm a dedicated frontend developer specializing in crafting exceptional user experiences with React, TypeScript, and Next.js. I'm passionate about leveraging Web3 technologies to build innovative and immersive web applications.

My expertise lies in creating dynamic, SEO-optimized websites that prioritize user interaction and performance. I'm proficient in state management, server-side rendering, and API integrations.

I thrive in remote work environments and am eager to collaborate with talented teams to deliver cutting-edge web3 solutions. Open to contract opportunities and committed to open-source contributions. Let's build the future of the web together.

Experience

TALENT 2 CONNECT SOLUTIONS & SERVICES FZCO

Senior Frontend Developer (React & Next.js)

August 2024 - November 2024 (4 months)

Chennai Area, India

Platform Migration: Supported the migration of the Kurt Geiger website from Magento to Next.js 14, utilizing Git for version control and collaborative development.

Brand Website Migration: Migrated additional Kurt Geiger brand websites, including Carvela and Shoeholics.

Best Practices Implementation: Implemented best practices for Next.js development, including code organization, testing, and deployment.

Team Leadership and Mentorship: Mentored and guided team members, fostering a collaborative and supportive team environment.

Requirement Gathering: Collaborated with product owners and stakeholders to define project requirements.

Project Planning and Estimation: Estimated development efforts and timelines.

Awebon Technologies Pvt Ltd.,
