Senior Full-stack Developer

London, England, United Kingdom

Summary

I am Catalin Valentin Danisor a senior full stack developer with over 10 years of experience, a seasoned Front End Developer with a proven track record of creating cutting-edge web applications. My expertise lies in technologies such as Angular, React, and Vue.js. Throughout my career, I have successfully contributed to numerous projects, delivering top-notch solutions by combining my web development skills with a strong sense of determination. I take pride in my ability to collaborate effectively with teams and communicate ideas clearly. With a passion for building high-quality applications, I am confident in my capabilities to add value to any development team.
